1970-AGE OF DISCOVERY

To look beyond today with a fresh hope and a new found desire to keep living. To be content with one's decisions and to trust one's judgements. This is the discovery of Life.

We glory in triumph and boast of our greatness. We stand tall for all to envy.
But to know we're needed in defeat is to discover Honor.

They offer so much, willing to lead, to teach, but only we can gain from all they give.
And we discover Learning.

We involve ourselves and strive for something better. When something improves because we cared enough, We discover our Ability.

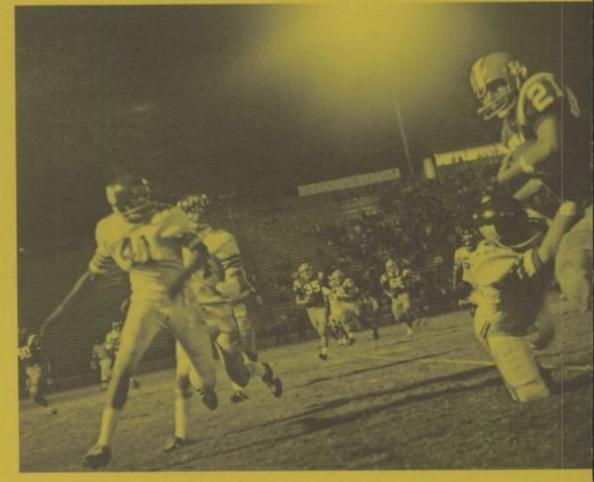

Not quite on top yet, we do our best and show what we can be. Looking forward to the remaining years ahead, we are content to wait until we can make the discovery of being a Senior.

We work so hard and hope it's worth it.
The future holds untold promises of what we can be.
And we discover what we really are and
what we shall do.

In many years we'll look back at La Habra and think of all that happened. We'll remember what it gave us and we'll smile, And we'll discover Pride.

Many people enjoy socializing and renewing old friendships to the background music of Churchill Downs at the first dance of the school year.

Getting Into Things

"What if my mornmy writes me a note."

The campus of LHHS is filled with 2000 individuals, each with their own interest. It is the basic intent of the administration and the entire student leaders to satisfy and unify all of the students through various activities, but at the same time allow them to keep their individuality.

Many activities have been presented this year, and although a large percentage of the students declined to participate in them, the majority made these activities worthwhile.

It was then up to the decreasing majority of students to make these activities successful in order to make the year 1969-70 one to remember.

"Really, I don't have a friend in the attendance office! Would I lie to you, Mr. Dutton?"

Visions

"I sure wish she was a little shorter!" says Armando through barred teeth.

Up against one of the toughest teams in the league, the Highlanders suffered a defeat to Troy High at the 1969 Homecoming game. Brightening up the dismal first half were half-time festivities which included the Drill Team and band performing to "Cherish". Anticipation and suspense were shared by everyone as Kerry Hunter was crowned Queen and kissed by ASB president and vice-president.

Later at the dance, the theme "Spirits of the Past" was enhanced by the haystacks, goblins and pumpkins which decorated the gym. Toward the close of the evening, Kent and Kerry's "Royalty Only" dance made an everlasting ending to an eventful evening.

Slumber sweetles get it on!

The Girls League Slumber Party was a refreshing change in pace for all who attended. While the evening was young the girls entertained themselves with Go-Go dancing and a pajama parade. Finally after every girl was gossiped-out, the gym was quiet except for an occasional snore or two. The next morning the girls awoke to find shaving cream decorating their sleeping bags and their shoes tied together in middle of the gym, compliments of Lynne Colome and Kathy Keitch. The eventful night left the girls with plenty to do the rest of the weekend - sleep!

The 1970 Junior-Senior Prom proved to be the most successful Prom in the history of La Habra High. Traditions were broken which created success. Young men dressed in tuxedos escorted their dates dressed in beautiful long formals through an iron-fenced gateway. They then came upon a beautiful fountain in the center of the room with running water. They were then in the atmosphere of Jardins D'Orleans (the theme of the 1970 Junior-Senior Prom), which is a garden in the midst of New Orleans. Refreshments were served by L.H.H.S. Sophomores in the Café Du Mond.

The height of the evening came with the crowning of the Junior King and Queen. The announcement was made by Master of Ceremonies John Kay and the Royalty was crowned by Ken Endo and Bruce Barta. This was the first year L.H.H.S. has ever bestowed this title. It proved to be a big success and made the 1970 Prom a lasting memory to all who attended.

Graduation

CLASS OF 1970

The end of the school year is always a time of bursting joy because you've finally wrapped up your four years of High School and you're now out on your own. No more tests or nagging teachers, no more getting up knowing you have to face six periods of the same dull monotony over and over again. Yes, long awaited graduation is here. Familiar faces to see no more, sports events and dances to leave behind, the teacher's amateur jokes never to humor or sicken you again.

Yes, the class of 1970 is now only a memory. But is it really a joy? What are those tears I see? Yes, some are tears of joy, but could some of those tears be of sorrow? I think they are! Now you suddenly realize those familiar faces are going to be the ones you really missed. Your friends you might see every once in a while at a Homecoming game or dance. And how about that kid who used to stand on his head in the Senior Park? You're going to miss him too, aren't you? All of this is graduation. The one thing you long to greet, but hate to say good-bye to.

Four years is a long time in which to collect memories. The memories of La Habra High will be good and bad, but which ever, the memories of frosh, soph, junior, and senior years will remain wherever and whatever you do.

So long La Habra.

ORGANIZATIONS

Associated Student Body Officers

Dear Student Body,

What we have experienced this year in student government has been a transition from old to new. We have a unique and much more workable organizational system. I feel it has been successful and will continue to be, if responsible leaders carry out the job they are supposed to do.

Although we did not experience great financial success, we were able to reach more students than in past years. Students that never cared to be associated with any type of student organization finally got into the swing of things and got involved. As we know, involvement plays a very important part in the making of a school and the accomplishment of a successful year.

We were able to accomplish some unity at L.H.H.S. Unity exists only when one can have mutual trust, cooperation, and understanding with one another. Many of these thoughts are very ideal but not far fetched. We can have unity, but remember unity begins when personal bias, prejudices, and inhibitions are discarded. I sincerely hope you remember these ideas and apply them in life, because that's where it's really at!

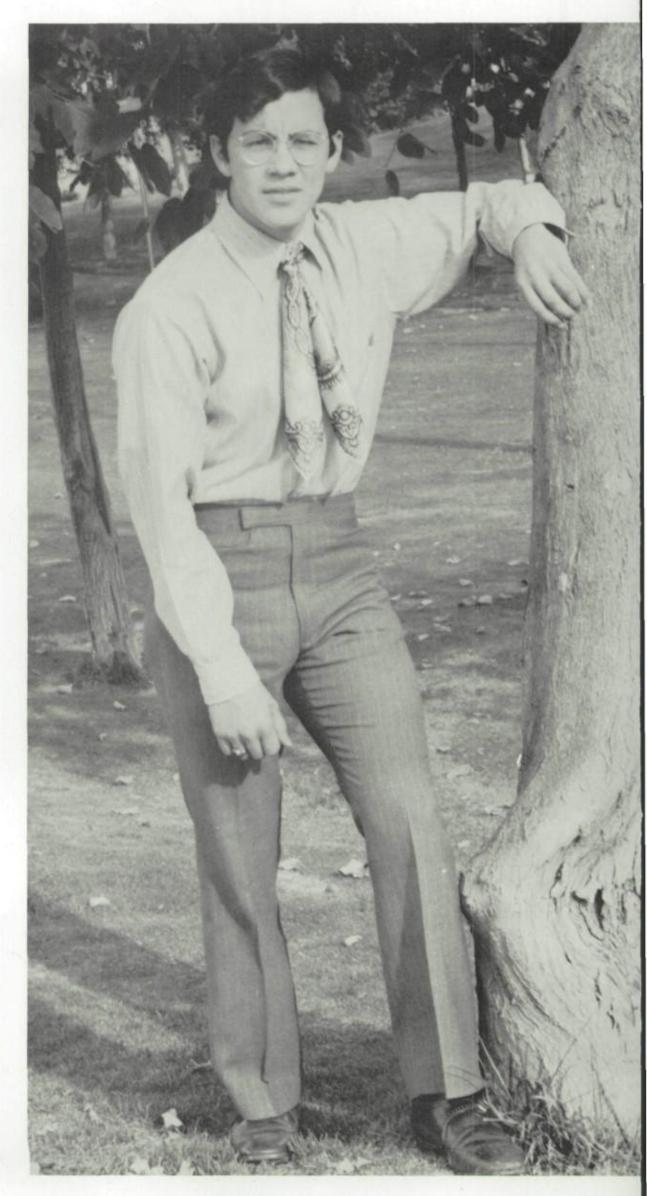

I would really like to thank the cabinet, the Activities Board, and all people involved in Student Government for their time and effort in making this year a lot better than most!

Highlander Trips To Germany

Highlanders!

Last summer when most of you were either trudging to summer school or taking off for the beach, I was rushing around, getting ready to fly to Germany. I found out during a final exam that my AFS summer would be spent in Northern Germany. My "family" consisted of my sister Christel, 14, my brother Jurgen, 11, Mutti, Vati and our huge boxer, Brigant. I became a daughter, and member of this family, seeing Germany as a German, not as a tourist.

I have so many wonderful memories from my stay abroad, for which I must thank the AFS Chapter and the kids at LHHS for their support. I'll never forget my surprise at seeing Manfred Link, AFS'er from three years ago, at the Hamburg Airport, or finding Adriane II's, YFU student of 1968, living in a nearby town, or my distress when I met my German family and forgot all my hurriedly acquired German! But most of all I will remember the things I learned—that people are always the same the world over—and that I always want to be involved with them.

Martha Roush

Martha's German sister, Christel Rehage.

AFS Foreign

Hello Highlanders,

I had such a great time going to this school; I am really proud of it, and you know, it's not only because of clubs, dances, peprallies and football games, but because of yourselves and the teachers. Thank you for being so helpful and friendly. This school has such a wonderful spirit. I will never forget the blue and the white. I want to thank the school and the AFS chapters and especially my family who made this year possible. It is so beautiful because I got to know so many people. There were bad times and good times, but I can assure you the times were so rewarding.

If you happen to come to Switzerland, visit me! I will be happy to see you soon.

Cari Amici Highlanders,

I really don't like to write this letter because it means that I am leaving and that I must tell you good-bye. You can easily imagine how I feel to leave the U.S.A. after having lived here one of the most beautiful years of my life; one year, full of outof-sight experiences and one year in which everything I have done was great, as were the places I visited and the people I met. Especially rewarding was the family with whom I lived, and also the school. I had some difficulties and some hard things, but it was easy to get through because there were a lot of people who helped me.

So I want to thank all of you Highlanders, AFS, my American family, and the teachers who have transformed my impossible dream into reality, and have made it beautiful by your presence. I leave with a smile and not with a tear, because I hope to see all of you again in Italy or in the USA. So my word for goodbye will not be "addio" but,

Arrivederci,

IRV RAY

The pep units can do a lot of reminiscing about the past year. They'll remember times performing in wet tennis shoes on muddy fields. Yells won't forget the day their outfits came back and the girls' skirts were down to their knees and Randy's sweater was two sizes too small. Then came camp when two of our boys got suspended for participation in a raid on the girl's dorm but couldn't leave because the hot V.W.'s engine froze.

Remember the game Joyce kicked so hard she fell down, and when Kerry hit herself with her own flag? How about all the tears spilled in games both won or lost?

These 18 people made many new friendships and earned the feeling of accomplishment — a feeling that will stay for a long time to come.

1970 Senior Class Officers

BRUCE BARTA SENIOR CLASS PRESIDENT

There is no one word that can sum up the four years that the Class of 1970 has spent at La Habra High School. It has shown itself to be a class of great pride and spirit, as well as one of great ability; athletically and scholastically.

The Seniors won more than their share of pep rallies and other class competition. The Seniors also captured first place in the A.S.B. card sale competition this fall.

Seniors emphasized their uniqueness by holding a celebration commemorating the 70th day of school. This celebration was held on December 18, 1969, and was highlighted by a fried chicken lunch enjoyed by students and faculty alike.

Senior originality was personified by everything from class mascots to trash can painting. We have been growing and maturing for four years, and now, not surprisingly, as Seniors we have proven ourselves to be one of the finest all around classes to graduate from La Habra.

The Seniors came up with many original money-making ideas, including the sale of Senior class pins and football jerseys.

While there are many multi-talented individuals in the Class of 1970, the thing that helped distinguish it from all others is its sense of unity. The proud Seniors were more willing to volunteer their time and effort on all class activities

As this impressive class leaves La Habra High and goes its separate ways, I am sure that all of us will be better individuals for having spent these four years together at LHHS.

I am grateful to have been given the opportunity to contribute a small part to this great classs.

To the Senior Class of 1970:

First of all, our gratitude to you knows no bounds. (And smart mouths, that isn't the wrong pronoun—Beauty and the Beast are both appreciative!)

Somebody once asked me what kick I got out of teaching. It's the little things—like knowing your talents; then by some means or other (maybe even fear) encouraging you to believe you have those gifts to use and refine—like watching the light go on when you are faced with a problem; a problem for which there is no "one" answer, but many answers from which you must pick the best solution for you—like seeing you make mistakes... (erase that)... like hoping you have the courage to make mistakes; then pick yourself up (with an untarnished self-image) to try again—like enjoying the crackle of electricity when our ideas collide—like wearing two different stockings to find out if you see or if you perceive—like knowing the time will come when you (without prompting or reminders) can accept responsibility just because it is there—in short, doing more than pouring facts and figures (and Bach) into your head, but being a real part of your maturation process towards becoming a self-confident human being—not a thing or cypher.

Again, I do want to thank you for the honor afforded me (marvelous is the only word) but even more I want to thank you for allowing me the privilege of serving you.

Good evening!

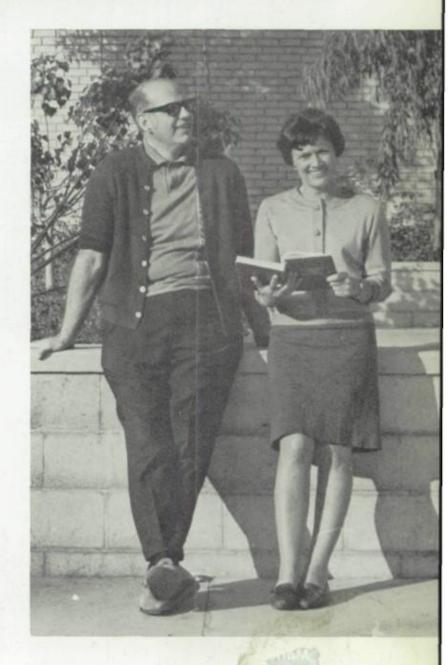

William Dunton

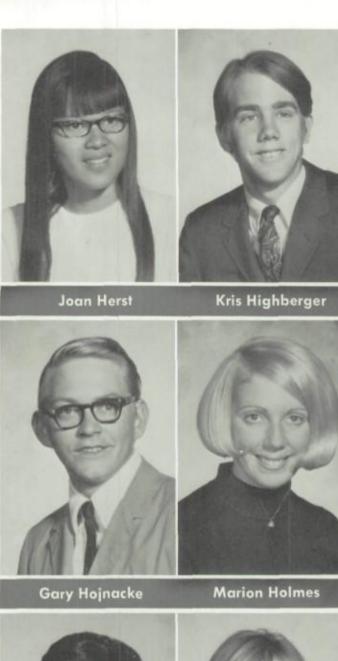

Seniors:

It's very rewarding to me to be able to work with seniors. Your insights make my job not one of teaching dull facts, but rather one of helping direct your ideas so that you can understand the real world and make it one that will conform to your ideals.

My appreciation for the great honor all the students have bestowed upon me. Thank you, each and every member of the senior class.

UNDERCLASSMEN

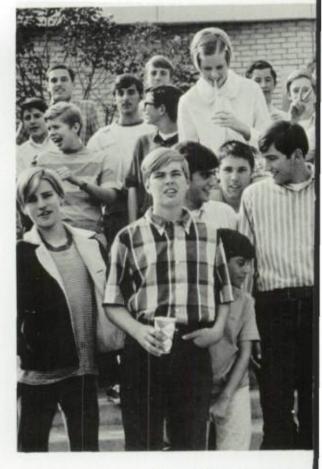

Juniors Are Down To Earth

As president I tried to represent the entire class not just that certain group. The year is finally over. What the school year meant to some meant something else to others. Therefore I will try to summarize the year from two points of view.

(1) Get involved, Summer: Cake Sale=\$13.30. "Hell Week", Prom committees born, Class Council meetings. Football team predominately JR's. Won pep rallies. Lots of spirit. Car Rally. Snow Cone Sale. Good Basketball team. Junior Spirit day="wear blue and white and '71 badge." 71st day of school. "Great flag thanks to KD?" Fine showing on Top 100, honor roll, and CSF. Great showing of that Highlander tradition: Pride Week. "Great Potential." "Best Prom ever" "LOOK FORWARD TO BRIGHT SENIOR YEAR." "71 rah, rah, rah, rah. . ."

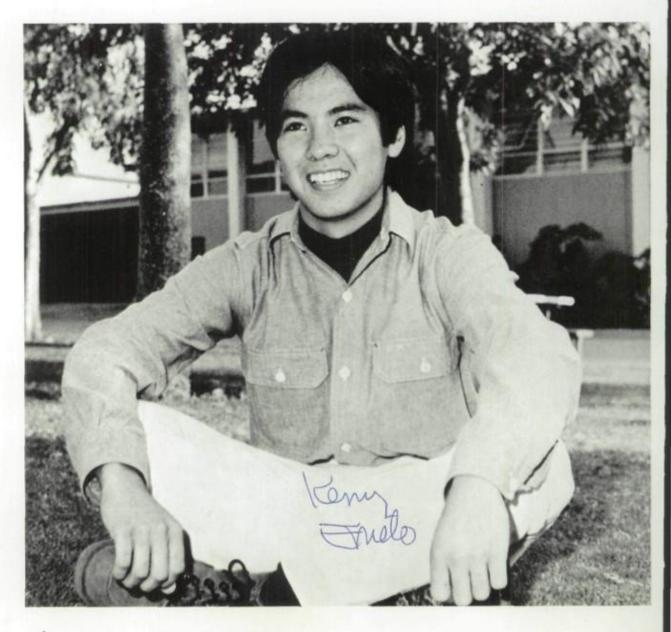

(2) '71? Just a number. Moratorium=hassles with administration. Cafeteria =food? What's the gang up to now? Student Gov't=Powerless group that involves a few? AFS talent show=? "Get your haircut you'll be a better person." Ha. "You can't wear that to school." Unity vs. Apathy= 2 words (which is reality?) Tutoring Program helpful. Scotscapades. Communications — teacher—student—administrators (FRONT FIVE POWER HOUSE). Total involvement right . . . "Everyone come to the pep rally." Pride in what? "They tried but the community didn't dig it." Flexible Schedule. Right? "JEFFERSON HIGH WHERE ARE YOU?" "Did you play ball last year. Sorry I can't use you." Emphasis on sports. Clean Campus? Over emphasis on grades. Sorry School, District, State, Policy forbids . . .

The school year had its ups and downs. Many things were accomplished, many things never got started. We have many abilities as a class and could gain much by just being ourselves and accepting others as they are. Presently school activities involve just a few people. (A pep rally just may not turn you on). As seniors I hope we can continue to involve a majority of the class. (Not just the old "gang" activities). Good Luck to all and Thanks.

Sophomores Are Down To Earth

The enthusiasm generated from last year's second place in "Class of the Year" was enough to scare some people. We were then ready for first. When "Class of the Year" was abolished it was a real let down. However, this year the class of "72" showed that the let down was only temporary.

We started early in the summer pranning for the upcoming year. We knew we needed more money, so our first activity was a cake sale followed by a popsicle sale.

Throughout the year we had many new and old activities. Our first was an all day beach party. In the Pep Rallies we promoted not only spirit but a feeling of unity toward our fellow classmen. On the 72nd day of school we started with a seven foot abstract hand that read "You've got to hand it to 72." At noon we felt it appropriate to be the first to fly our flag over the Senior Park. Some of our other activities were a snow trip, a playnight and Robert Burns' birthday.

Once in a while a class comes along that has all the qualities of a "great class". I truly feel ours is one of those.

Freshmen Are Down To Earth

In its all-important freshman year the class of "73" has proven to be full of spirit and Scottish tradition. Being the only class able to boast of the shortest people and the tallest, we scored a convincing victory in an early pep rally by stuffing 24 people into a Volkswagen.

But our class didn't stop there. By participating in school activities we compiled an outstanding sports record starting with football where we went undefeated (the first time in La Habra's history). We also showed much promise in Water Polo, Cross Country, and all of the other sports.

During the year we chose the Elliot tartan to further the Scottish tradition. This also proved to unite the class and expand its spirit and pride. This unifying factor helped the freshmen to keep in stride with the rest of the student body through the year.

By participation and cooperation the freshman class has achieved an excellent start at La Habra High School. With continued success in the following three years the class of "73" will undoubtably become one of the finest La Habra has ever known.

The 1969 Varsity Cross Country team proved to be one of La Habra's strongest athletic attempts. Under competent direction of Coach Winklemann, Varsity racked-up win after win, scoring over all other schools in dual meets. This year at C.I.F. Finals, the La Habra Harriers captured a much deserved seventh place. La Habra High can be proud of its no loss record in the past three years. This dedication and enthusiasm brings about the greatest kind of satisfaction; the kind that comes from pride in a job well done.

For the tenth consecutive year, La Habra's JV team completed its season without a loss. This year's team was led by Juan Garcia and Dave Malin who consistently captured first and second places respectively. The rest of the team, Randy Landers, Irv Ray, Louis Fongello, Melvin Fitzhugh, and Al Molina gave balance and individual contributions to the season's achievements. A first place at Mt. Sac and a third place at Westminster resulted in high national standings for the team. This year's JV's outstanding ability and perseverence will keep varsity at the top again next year.

Varsity Strives For Something Better

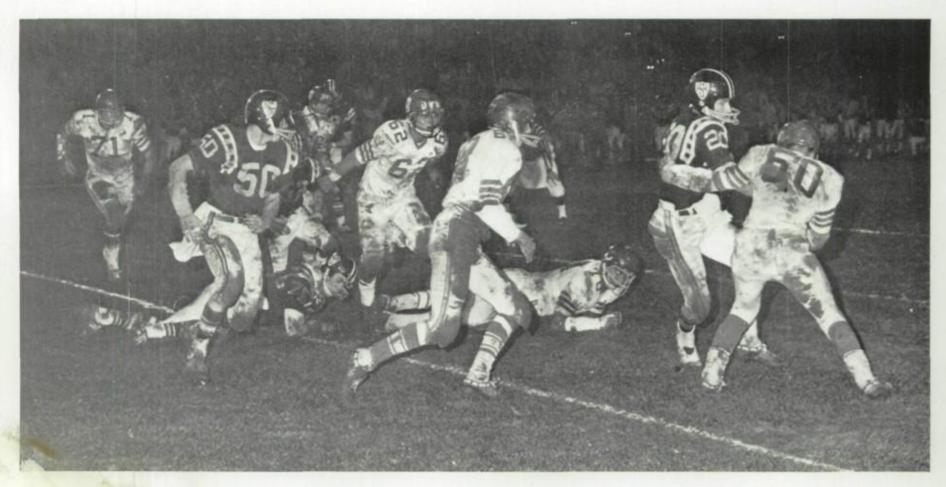

Varsity football this year could be described as "a give by all leads to defeat by a few." With a couple of breaks, La Habra could have had a much more successful season. Three out of seven games were lost by one touchdown or less.

One cannot help but give all members credit for going all out every game. It wasn't easy to go out after a defeat the week before and play a 100 per cent game, but La Habra Varsity achieved this. Seniors held up the spirit, while juniors strived to become more experienced.

Alas, all is not lost as some think. This year's team was young. The offense only lost three seniors and with all of the young talent coming back, it should be a very promising season next year.

Inexperienced Bee's Show Promise

Despite a rather disappointing season, the Bee's showed some great promise in the fact that most of the team was comprised of freshmen. Led by freshman quarter-back Mike Crosby and "most valuable player" Dale Kemp, also a freshman, the team gained much respect from opponents because of their inexperience, yet strong desire.

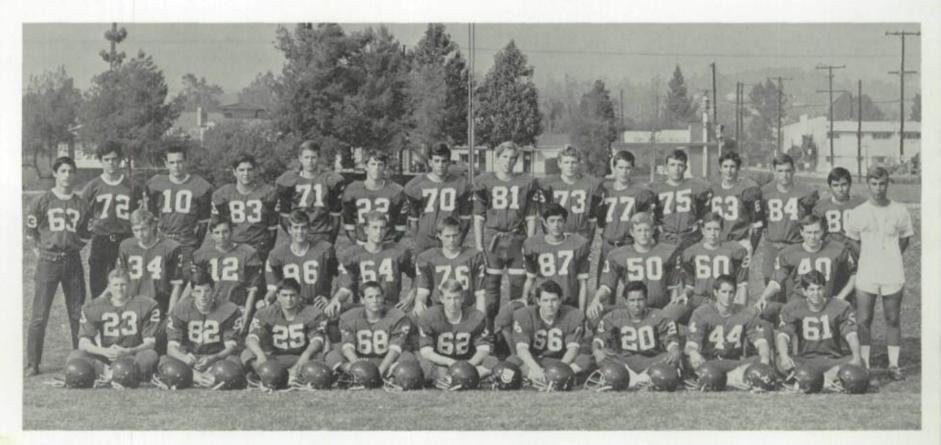

Student coach Mike DeGeorge named other standouts as sophomore Bill Horner and junior Frank Desantis. Recognition is also greatly deserved by freshmen Darrel May and Mike Elliot for a fine job performed throughout the year.

The Bee's lack of experience may have altered their playing, but certainly not their pride or incentive. Even with the little outside support they received, these boys proved themselves to be a team with a lot of depth and most important a really fine future.

A lot of credit also should be given to the coaches Pat O'Donnel, Fred Butler, and student coach Mike DeGeorge for a job well done.

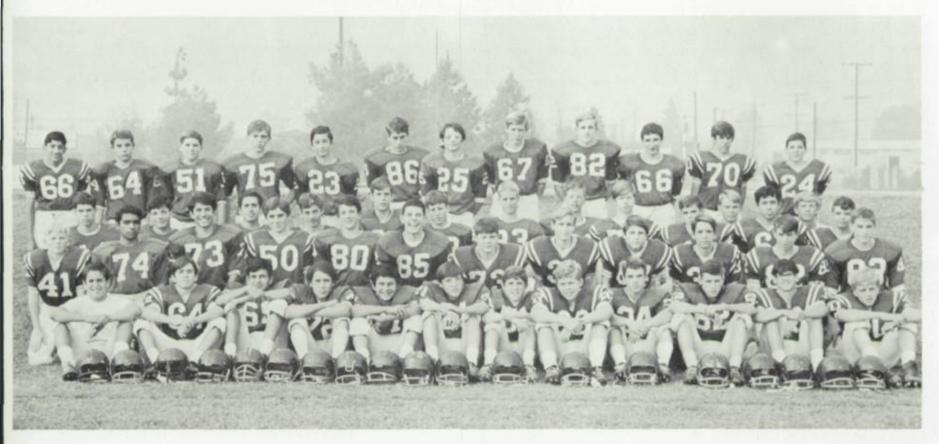

With a few breaks the Bee's could have had a very successful season. Unfortunately the breaks didn't come. The Bee's proved though, if nothing else, that the success of a season is not always measured in its wins and losses, but in the effort and desire that's put out in playing the game.

Lone Bee tries to out-distance an oncoming Patriot.

Front row: Burns, Adams, Marrujo, Maire, Brittsan, Garcia, Herring, Wallace, Middle row: Prendival, Patato, May, Elliot, Pfyl, Esparza, Horner, Carver, Starnz, Back row: Desantis, Risco, Crosby, Repasy, Turk, Schell, Hicks, Hocks, Brown, Kemp, Benjamin, Hopstein, Hoffman, Agurre, Student coach DeGeorge.

Spirited Cee's Take It All

First row: Perez, Hinojosa, Zuniga, Herrera, Morales, Maris, McCoy, Giffin, Butler, Fox, Fleming, Meyers, Second row: Wight, Vidana, Herrera, Thompson, Brand, Patton, La Page, Foley, Wells, Schmit, Cramer, Hunter, Third row: Contreras, Diaz, Correa, De Santis, Gabhardt, Charlton, Herring, Jenson, Arsenault, Langford, Hale, Lopez, Russell, Marrujo, Back row: Marchant, Niles, Wight, Rogers, Barrios, Mills, Bentson, Carloton, Dennis, Franklin, Renolds, Hadgman.

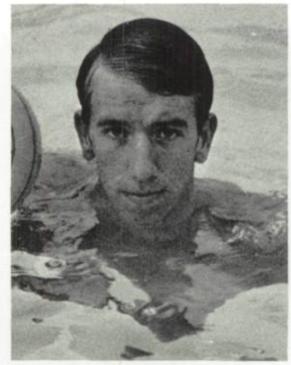

The La Habra Cee football team became the first football team to go undefeated in the history of L.H.H.S. They completed their season as Freeway League Champs. Coaches Hastin and Hurley accredits their success to an aggressive attitude and a strong team effort. Showing also to be a contributing factor was that the Cee's defense allowed only 3.3 points a game. The offense didn't do too bad either as they averaged 22 points per outing.

An example of the Cee's greatness came in their first home game as they literally ran Lowell off the field in a 42 to 6 rout. The team's depth was demonstrated as half the points were scored by the second and third teams. Because of the team effort the Cee's displayed, no "Most Valuable Player" was named. Coach Hastin said that the award just couldn't be given because of the large amount of fine players on the squad. All fifty of the boys did a great job.

What made all of this even more outstanding was the fact that only one sophomore started on the offensive and defensive teams. With this in mind, it looks as if La Habra is in store for some fine football in the future. Congratulations to Mr. Hastin and the entire Cee football team for an outstanding year.

Ed Flader

Led by Captain Mark Davis, Bill Johnston, Bruce Shirey, and the coaching of Mr. Thomas Lloyd, the Tankers powered through the 1969-70 water polo season with a 4-3 Freeway League and a 5-7 overall record.

According to Coach Lloyd and the rest of the team, the season on the whole was a frustrating one. First, the strong and overpowering Fullerton Indians beat the Tankers 14-7. Then, if that wasn't enough, they lost two close games in double over time to Sunny Hills and Troy.

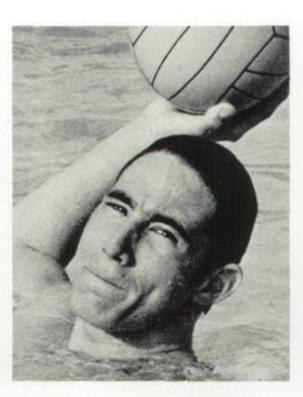

Bill Johnston was chosen Most Valuable Player, as well as first team on All-Freeway League. Bruce Shirey was chosen for the second team.

Returning to next year's varsity team will be Bill Browneller, Dennis Macready, Richard Blamey, Rich Goodwin, and many upcoming players from the Bee's and Cee's.

This year's Highlander team proved to La Habra that it could win and also accept defeat when up against a better team.

Cee's Show Potential Talent For Varsity

Coach Lloyd tries to stress the fast break offense to his Cee team.

One of La Habra's stronger Cee teams took one loss in league play and went on for an excellent 12-1 win-loss record. The Tankers seem to feel it had something to do with the coaching of Mr. Thomas Lloyd.

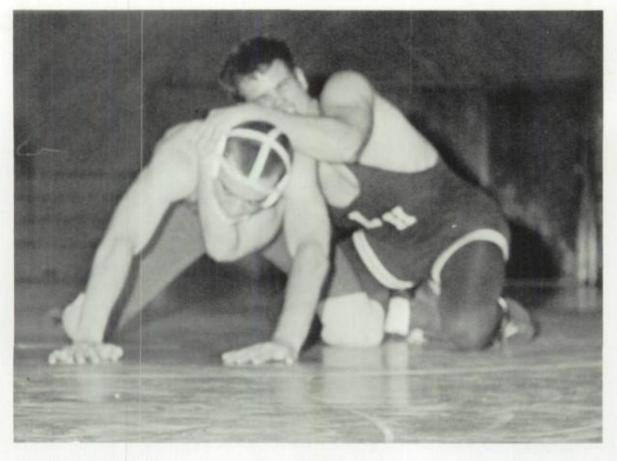

The team was led by Co-Captain Curtis Springer and Jeff Cameron.

Most Valuable Player was Greg Moegling .

Coach Lloyd praised his young men for their valor and bravery beyond the call of duty. These extra efforts put the Cee team on top at all times.

A pin and five team points for Randy

Despite a set of sour pre-season matches, the Varsity came back with an outstanding 5-1 record going into League Finals. Team Captain Rick Motter and Coach Dennis Reisman led the team to a most commendable season in spite of previous seasons. This is Coach Reisman's second year at La Habra and he has done an excellent job at the wheel of the two wrestling teams.

The most outstanding performances were turned in this year by Glen Caulkins, Randy Fox, Dale Spargur, Bill Baker, Rick Motter, Jim Rakoci, and Jim Capps. These men, more than any others, showed our school and the other teammates what pride is all about. In the years to come, wrestling will take its place in the annals of La Habra High as one of its strongest sports.

As the clock runs out a near victory is at hand.

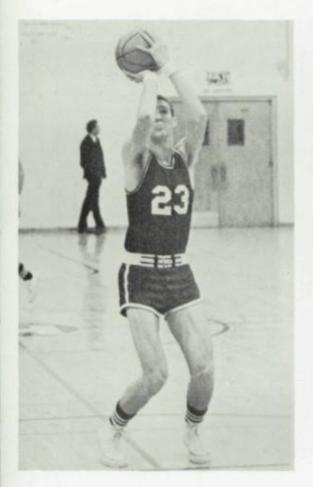

A good seasonal record and some outstanding efforts, helped make the J.V. team one of the best in the league. The J.V.'s are the backbone of the future varsity teams and the training they go through is as rough or rougher than any other team. Coach Reisman considers the junior varsity a most challenging one.

Potentiality counts in wrestling and this team has it. Wrestlers such as Steve Wight and Bob Vidana will lead their team to certain victory in coming seasons.

Basketball 70 = Alright!

Joe Gordon, Forward

Exciting and persevering best describe the '69-'70 varsity basketball team under the direction of Coach Tex Wallis.

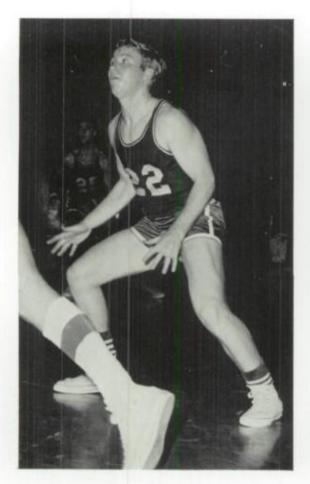

The Clansmen were one of the tallest teams in the history of L.H.H.S. The height of this team was used to great advantage. There were many close games until the "big men" of the team took over and widened the gap between the Highlanders and their opponents. Games against Workman, Sonora, Cal Hi, La Serna, and Savanna were good examples of boardwork and La Habra routs.

Even though the Clansmen had many clear cut victories they also had their share of cliff hangers. They opened with a one point loss against Fullerton in their first of two encounters. Then the team went on to beat Troy by three points, Buena Park by one point and Lowell by three points. After these games, fans complained of ulcers and cardiac arrests, but to no avail. Highlighting this year's basketball season was the defeating of Foothill, the number one team in Orange County. The Clan played their best offensive and defensive game against this team. Another fantastic game was against Sunny Hills. The Clan played tenacious defense throughout the game but their lack of offensive punch was their downfall in the 51 - 48 loss.

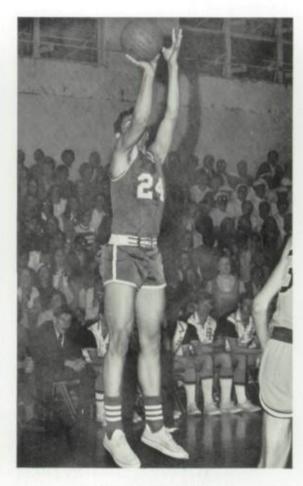

Leading the team during the season were senior forwards Sam Miletich, Ralph Reese, and junior guard Kent Pearce. Miletich and Reese averaged close to 16 points per game, Pearce averaged just over 11 points.

La Habra has always had a strong basketball tradition. This year's team with its skilled players, excellent coaching and true determination upheld this tradition with pride.

phenomenal record. With a comparatively large team, the J.V.'s were strong on the boards. Accurate shooters and effective rebounders contributed to the team's success. With another year to perfect their skill this team should produce a league winning season next year.

The LHHS 69-70 J.V. basketball team wrote itself a fantastic success story by starting the season with 12 pounding victories. After defeating Sunny Hills once in a previous match they suffered a heartbreaking loss of more than 15 points in a second encounter. As with other sports, the Bee basket-ball team showed a marked improvement. They started out slowly but gained momentum as they began a winning streak by leaving over 50 percent of their games with a victory. The new face of Coach Wright, plus a bonus amount of talent showed a favorable effect. All the future can reveal is a J.V. team made up of these thirteen players who know how to play basketball in a winning fashion.

Jeff Funkhouser goes high as his teammates watch in anticipation.

Left to Right: M. Desantis, R. Contreras, D. May, M. Crosby, D. Patton, S. Carlston, M. Dennis, S. Walden, S. Patterson, J. Stuber, J. Jackson.

Outstanding Freshman Mike Crosby shows form and talent.

The spunky Cee cagers of La Habra literally "did it" this year as they ran all league competition right off the court. The Cee's, under direction of head coach, Fred Butler and student coach Mike DeGeorge, captured the Freeway League title and completed a perfect undefeated season. The Cee's were led by the scoring of sophomore Jeff Stuber and the rebounding of Steve Carlston. Other consistent standouts were freshmen Mike Crosby and Steve Walden.

Coach Butler attributed his team's success to a lot of hustle and a strong desire to win. The coaches have shaped these boys into a fine team and with the potential they have exhibited, La Habra can be assured that the fine basketball tradition of the school will be upheld.

Clan Creates Waves Of Victory ...

The Swimming team is building towards an extremely bright future, according to Mr. Lloyd. Over 80 percent of the team was comprised of sophomores and freshmen. Many young swimmers like Brad Tallman, Chuck Sargent, Brad Athinson, Paul Bollinger and Jeff Bain should prove to be outstanding in future years.

Freshmen standouts included Cliff Benjamin, Bob Davis, Curtis Springer, Greg Moegling, Jeff Camerón, Kris Kocher, Brad Swancoat and Eric Umbarger. The varsity paced by senior captain Mark Davis, Bruce Shirey, and Bob Frazier did extremely well this year and at press time were in second place in the league.

Juniors, Dennis MacReady, Rick Blamey and Richard Goodwin are counted on to provide valuable leadership and experience for next year's Varsity.

When asked to comment on the season, Coach Lloyd stated, "Our team this year had the best attitude of any team which I have had here at La Habra. With this attitude, dedication, and skill, next year's team will have victories over all their foes."

Senior Mark Davis makes an excellent flip turn during a meet against Lowell.

Tennis Raises Some Racket

Terry Corchron returns a serve with style.

This year's varsity and J.V. racketeers have opened the eye of many a spectator this season. Led by the strong play of Deems Ortega and Myron Coppock, this year's squad has shown a lot of success against very strong opposition. This year has also shown the maturing of many young players. With all of this on their side, one can see only success for this really fine tennis team.

Depth, Experience Counts For Highlanders

A large amount of dedication and high hopes put La Habra on top at the end of the 1970 track season. Outstanding performance in the sprints was recorded by Irv Ray with a 10.3 in the hundred, along with the middle distance was Pete Hughes in the 440 with the time of 49.5 and Ken Mason in the 880 in a time of 1:56.0. The distance team was led by Chris Meacker in the mile with 4:19.0 and Jeff Huber in the two mile with 9:27.0.

Field events were led by senior Brad Cella with an outstanding mark in C.I.F. of 14' in the pole vault and Rudi Schmidt who successfully put the shot at 51'. Jim Slater had many fine jumps over 22' in the long jump and Bob Gordon hit 6'6" mark in the high jump. These and other consistently high marks assured La Habra Varsity team a chance for League Champs again this year.

Bob Gordon displays his style, which made him one of C.I.F. outstanding high jumpers.

It is not possible to record here the results of the Bee and Cee track team, due to the "deadline" of "The Hieland." However, it is predicted that the members of the Bee and Cee track teams had a great deal of victories. The entire team always gave 100 percent in whatever they did.

During the season many of these boys developed into good trackmen. All worked hard to better themselves and the team. New men who proved very valuable were Dave Palmer in the 100 yd. dash, Matt Dennis in the high jump, Brad Wallis in the shot put, Mike Crosby in the 180 yd. dash, and one of the best ever Dan Eisenbrey in the 660.

Dan Eisenbrey looks like he is going to be one of the best ever.

It's time for baseball again, and this year's team has shown that it's going to be the top. With a lot of returning lettermen, and a few new faces. L.H.H.S. varsity says that this is the year. With only six games to go on, this is only a prediction not a promise. If preseason wins relate to future victories, then our horsehiders should come out high in the league standings.

Hurler Mike Wills has had an outstanding season so far. If the rest of his pitching staff can follow in the same path, they should have their opponents on the run. First baseman Sam Miletich and shortstop Dick Clyde have proved to be a very respectable pair on the infield. Steve Barrios and Joe Gordon have the 'outfield well covered. If any fly balls get by these two, then this is one annual that will be surprised.

As this annual goes to press, all we can do is hope. The outlook at the present is bright. With all the above potential it should get brighter. The L.H.H.S. baseball team should prove that its skills are adequate, at least enough for a not so far off league title.

Coach Pat O'Donnell

Frosh-Soph Gains Experience

The frosh soph baseball team is already on its way to another prosperous season. This year's team is young and a good future can be predicted. Every frosh soph's dream is to earn his varsity letter. With the potential that this team has shown this dream will not be a long time coming.

Excited spectators watch as frosh soph pull away from opponents.

With the season still young, the J.V. baseball team has shown that it's definitely going to be a league contender. Led by the strong hitting of juniors Pat and Tim Roberts, Kenny Allen, and sophomore Dave Mejia, the J.V. horsehiders are without a doubt headed for the top. The J.V.'s also show fine potential in the pitching of Jeff Funkhouser and sophomore Brian Plent. Coach Tex Wallis and student coach Mike DeGeorge have stated that this is definitely one of the finest J.V. teams ever. With all this going for these boys, one can see only success for this year's squad.

L.H.H.S. horsehiders give an all out effort.

G.A.A. is an organization made up of girls interested and skilled in sports. The main sports that are played during class are basketball, volleyball and baseball. Tennis, swimming, badminton and track are conducted after school. All these different sports are then played competitively against other schools such as Lowell, Sonora, etc.

One credit is awarded for participation in a sport. To get into G.A.A. and remain, it is necessary to go out for two sports after school. At the annual G.A.A. banquet, at the end of the year, the credits are totaled and awards are given. Twelve credits entitle one to a G.A.A. letter. Twenty-four credits entitle one to a season pass and twenty-eight credits entitle one to a life-time pass. These passes are similar to an A.S.B. card.

This year proved most interesting from the standpoint of trying to put together a yearbook that would be informative, interesting, and attractive.

The year started with great aspirations, unique ideas, imaginative layouts, and superb enthusiasm. As time wore on, however, the abrasive pressure of laboring to meet a deadline took its toll. Planning the work and then working the plan was a lesson not easily learned. Consequently, tedious and tortuous hours were spent in night session doing the work that just didn't seem to get done during regular class.

Sometimes, tempers flared, friendships were broken (temporarily), and headaches developed. The Excedrin bottle became an essential part of the publications tool chest. However, pictures got taken, layouts drawn, and copy written — a near miracle it seemed at times.

As the year progressed, we were able to see the end from the beginning, and were convinced that deadlines would be met, and that a book would be published that would adequately record in pictures and copy the activities of LHHS, 1969-70. Not even the senseless work of vandals altered that belief.

To the students who stayed to the "bloody" end to see that all copy was sent in on time, we say a hearty "thank you." And we hope the results shown in this finished yearbook will be sufficient compensation for all of your long hours and worry.

In conclusion, may we say that we did the best we could with such as we had, and here is your book, such as it is.

each other better

well we're seriors

now one more year
and we're out for

good Good Luck

on the coming year
